Note: The above 'Total Places Allocated' and 'Total Applications Refused by LA' cannot be aggregated to calculate the number of individual children applying for admission. As applicants are able to and advised to submit multiple preferences the totals do not represent individual applicants.

The combined 'Total Places Allocated' and 'Total Applications Refused by LA' of 3,043 represents the number of preferences that were considered by the Council, in respect of 2,734 individual children.
