## Highway Works Notification

The Council is introduce a **bus lane** on **Castle Street** between its junction with Westgate Street and Cathedral Road. These measures will **improve bus journey times** within the City Centre area.

The planned bus lane was consulted upon on as part of the **City Centre West** proposals.

**This bus lane is separate to the Castle Street measures currently being considered.**

It is proposed to implement the bus lane **before the end of November 2022**. The works are likely to place during the night time, to reduce on the impact of the highway network.

A plan indicating the planned bus lane is shown on the attached plan, although only the bus lane is planned at present. The remaining changes will be implemented at a later date.

It is anticipated that the Council's Contractor undertaking the Works, will notify residents and businesses accordingly who may be affected by the work.
